Blue Claws and Hammers

A Great Fall on the Diamond

The Blue Claws and Hammers enjoyed a fantastic fall baseball season filled with great plays, big hits, and fun! Supporting an impressive seven teams during an "offseason" for the sport across various diamond sizes and ages, players showed tremendous growth in hitting, pitching, defense, and baseball IQ while building friendships and lasting memories. Our young athletes represented Annapolis Area with pride, sportsmanship, and a competitive spirit that has us excited for the main spring season! The programs would also like to thank **King Cuts Landscaping** for their generous donation in getting the fields ready to play this fall!
