Minnesota Women's Soccer League

Referee Payment

Payment Instructions

- The Center Referee should be paid by the amount owed during half-time of each match (see Rules & Regulations 9.06).
- Each team is responsible for their portion of the referee fee.
- A digital form of payment is acceptable, but only if the referee agrees to it. Cash or check are the acceptable alternatives.

Do not pay the referee if…

- The game terminates prior to half-time due to weather
  See Rules and Regulations 14.21 - Both teams, as well as the referee (through their game report) should notify the MWSL that a weather cancellation took place. The MWSL Treasurer will deduct $15 from each team's Performance Bond and send the appropriate amount to the referees listed on the referee game report.
- The game is forfeited by one or both teams prior to half-time
  See Rules & Regulations 14.23 - Both teams must notify the MWSL that a forfeit took place. The referee is required to notify the MWSL via electronic referee game report. The MWSL Treasurer will then deduct the levied amount from the appropriate team(s) Performance Bond and send the designated amount to the referees accordingly.

Payments Amounts

11v11

Number of Referee's Present	Amount Per Team
